

Kia ora e te whānau,

The days are often starting cold but end up with the sun shining. It is always great for tamariki to be able to get outside and enjoy Epuni School's wonderful environment. I love walking around the grounds at lunch breaks seeing and hearing the creative play many of our tamariki engage in.

Swimming

It has been wonderful to see the improvement tamariki have made during the swimming lessons. With New Zealand being surrounded by water and lots of rivers and lakes for us to enjoy, teaching students swimming is an important part of the curriculum. A huge thank you to all whanau who have supported tamariki down at the pool.

Calendar Art

Classes have been working on artwork for our calendar fundraiser and have been doing a fantastic job. Photos of the completed artwork and details on how to order calendars, diaries and cards will be available later in the term.

3-Way conferences

3-Way conferences (meeting with you, your child and the teacher) are coming up soon. This is an important opportunity for whanau to hear about their child's progress, celebrate their learning and catch up on how things are going in the classroom.

Details on how to make a booking are on the back of the newsletter.

Thank you for your continued support in making Epuni School an amazing learning environment for our tamariki.

Pursue that which is precious and do not be deterred by anything less than a lofty mountain.

Many thanks Janet Evans Principal

Whāia te iti Kahurangi ki te tuohu koe me maunga teitei
