

Monday 1 July 24

EPUNI SCHOOL

Kia ora e te whānau,

With the term ending at the end of the week it will be a great chance for us all to recharge and enjoy time with whānau.

Celebrations

We had a wonderful celebration of Matariki with all tamariki rotating around a variety of activities finishing with eating Fried Bread together.

I am so proud of the Kahikatea and Epuni Kindy tamariki who participated today at HuttFest and the HuttFest performers who will shine tomorrow night. It has been wonderful seeing the huge progress they have made with their performance over the term. Kei ōu ringaringa te ao, the world is yours.

Enviro-schools

We have an amazing group of tamariki who are our student Enviro-School leaders. They have been working with Whaea Sarah and Sian Torrington, our local Enviroschools contact, to reflect on our progress as an enviroschool. Tamariki have been identifying parts of the school that they are proud of and that support us as an Enviroschool. The leaders have been interviewing different people to understand all the changes we have made over time. Next they will work on presenting their findings creatively to the wider community.

Swimming

In Term 3 we have our yearly swimming lessons for all tamariki at Huia pool.

- Monday 5th August to Thursday 8th August
- Monday 12th August to Thursday 15th August

This is an important part of the NZ curriculum because as a country, we are surrounded by water and have many beautiful lakes and rivers to enjoy. It is always exciting to see the progress tamariki make over the 8 lessons.

Enjoy the break and time with whānau. I look forward to catching up with you all in Term 3.

Ka puta Matariki, Ka rere Whānui, Ko te tohu o te tau.

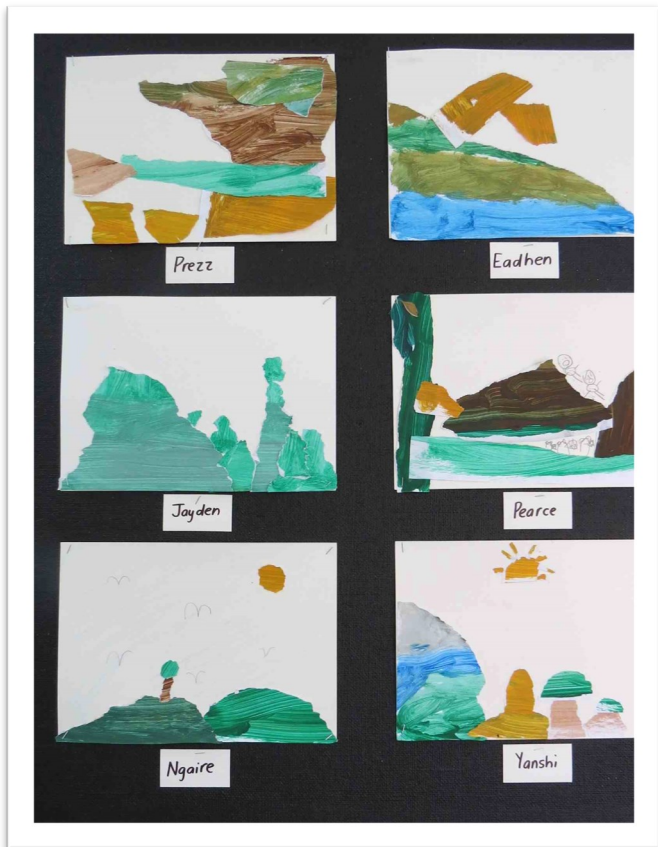

Matariki reappears as whānui (vega star) starts its flight. The sign of the new year.

Ngā mihi o te tau hau e te whānau, Happy New Year.

Many thanks

Janet Evans

Principal

Last day of Term 2 is this Friday 5 July at 3pm. Term 3 starts Monday 22 July at 8.55am.

Coming up in Term 3
