

Monday 4 November

EPUNI SCHOOL

Kia ora e te whānau,

Term 4 is always a busy fun term with lots of different activities happening. Please regularly check your emails and notices for information around what has been planned.

### Planning for 2025

We are currently planning and organising things for 2024. If you know of anyone turning 5 next year please encourage them to get an enrolment pack from office. Likewise if you know you will be moving away from the area please let us know.

### Collier Volunteers

We had an amazing team from Colliers volunteer their time for a day last week. They helped our caretaker Don Knight begin painting the front fence, however the weather wasn't kind to us so the team worked on Te Mara Kotahitanga putting edging around beds and preparing the ground for our tamariki to plant. A huge thank you to the team.

### Drop off in the mornings

If your tamariki are being dropped off at school after the bell has gone at 8:55am please remind them that they need to come to the school office for a late card. It is important we are able to account for all tamariki at school as possible. Some tamariki are also finding it hard to open the school gate on their own, if this is the case please help them through the gate as there isn't always someone around to do this after 8:55am.

We appreciate your ongoing support and look forward to working alongside you over the rest of the term.

*Mahia i runga i te rangimarie me to ngākau mūhaki*

With a peaceful mind and respectful heart, we will always get the best results.

Many thanks

*Janet Evans*
